If you come across a news item that you'd like to share, send it to news@SacEV.org

Join us tonight for SacEV's hot EV topics

Check out George Parrott with his new Genesis G80, one of the new hottest, but rarest EVs on the market.

Are you an EV advocate or educator for family, friends, neighbors and the community? Get the latest EV info tonight. Have an EV question? Here's a gathering of the experts!

After the 5:30 PM pizza and soda, you can join us for these important topics:

- Eugen presents discoveries from the 2023 Consumer Electronic Show in Las Vegas.
- Surprises and discoveries about the Inflation Reduction Act. It's better than we thought. What's it mean for families and friends?
- Jim McKinney, with the California Energy Commission, on the joint CEC-Caltrans effort to help EV owners with road trips.
- Have you been asked, "How can I charge my EV or a second EV with a limited size power panel?" Dwight shares affordable solutions that avoid expensive service or panel upgrades.
- New EVs, including some that we bet you've never seen before.
- And more ...

Location: [California Automobile Museum](#), 2200 Front St, Sacramento.

Zoom: Join [Zoom Meeting](#)

- 5:30 p.m. Mixer with pizza and soft drinks. Tour the museum's "EV Exhibit Center Showpiece" and over 100 years of automotive innovation.
- 6:00 p.m. Meeting program starts
- 7:30 p.m. Socialization

Join Other Green & Sustainability Folks

Wednesday, January 18, 2023

6:00pm

Green Drinks & SacPark City
Urban Roots Brewing & Smokehouse

We have a lively mixture of people from NGOs, academia, government, and business. Come along and you'll be made welcome. Just ask, "are you green?" and we will look after you and introduce you to whoever is there. It's a great way of catching up with people you know and also for making new contacts. Everyone invites someone else along, so there's always a different crowd, making Green Drinks an organic, self-organizing network.

Come make some new friends and have a drink to support open space!

Upcoming Webinars

EV Related Webinars

SacEV brings you a list of upcoming EV related presentations. In case you missed one, we've added pointers to the recordings. You can also find this list on the SacEV.org website [HERE](#).

Join the National Electric Vehicle Association

When you join other SacEV members as national Electric Vehicle Association members, you are part of the national grass-roots community advocating for EVs in the USA. The national EVA is critically important to SacEV as it handles our administrative chores (tax filings, non-profit status, banking service, insurance, legal help, etc.) and provides value, such as webinars and the two nationwide events: National Drive Electric Week and Drive Electric Earth Day.

Your SacEV leadership team relies on these services, so we encourage you to join the national organization for the small sum of \$35 annually. You will also be able to keep current with the latest developments in the rapidly changing world of electric vehicles in our regular Current Events e-blog.

What else do you get?

- **Low Interest Loans:** The EVA has partnered with a credit union to offer members low-interest loans on electric vehicles, solar, and electric bikes.
- **Battery Health Reports from Recurrent Auto:** The EVA is working with Recurrent to better understand battery degradation and range loss, particularly for used electric cars. Contribute to this initiative by signing up for free monthly battery reports to share anonymous battery data. For each new EV, Recurrent is donating \$10 to the EVA so we can expand and enhance our programming.
- **BlueDot:** EVA members are eligible for \$10 off your first charge + \$0.30/kWh charging all time on the BlueDot network. Contact membership@myeva.org and ask for the blue dot code!
- **Neocharge:** \$125 off NeoCharge Smart Splitter. Contact membership@myeva.org and ask for the NeoCharge code!
- **Networking Opportunities:** Networking with EV advocates at events is just one of the many benefits of becoming a member. Join one of our committees to use your skills to make an impact.
- **Educational Opportunities:** The EVA offers ongoing virtual meetings, resources, and more including our EV Educate Certificate Program and EV blog.
- **Benefits to SacEV:** SacEV receives a portion of your membership fee to help fund the work you do in our community.

Your membership provides value to you, our local SacEV chapter, and you become a member of this critical national movement. **Please join NOW.** You may also send a check payable to the Electric Vehicle Association, c/o Guy Hall, 8325 Walden Woods Way, Granite Bay, CA 95746.

More SacEV Events Are Coming Up

Check the [SacEV calendar](#) for the latest EV-related activities.
