Davis EV Pop up at The Market Needs Volunteers

Every 3rd Saturday of the month, SacEV and Cool Davis get together and highlight an EV at the Saturday Farmers Market. The display is part of an effort by the Davis EV Association (DEVA) to inform the public about EV benefits, and the volunteers will help by passing out literature and answering questions from passers-by.

Saturday, December 15th is almost here and we need your help. If you would like to volunteer for that Saturday, or one of the other "EVs at the Market" Saturdays, please send a message to Robert.Poeschel@gmail.com.

The EV display lasts from 9 am to 1 pm, on brick paving just east of the restroom building and just south of the kiddie playground.

Dates: 3rd Saturdays
Times: 9:00 am to 1:00 pm
Location: Davis Farmers Market, Davis Central Park
