GIG Electric Car Sharing Service Launch Party

Please join us as we celebrate the official launch of GIG Car Share in Sacramento, **the nation's largest all-electric car sharing service**. The event takes place in Sacramento's Capitol Park during the Friday lunch hour.

Spin the prize wheel to win swag and Gig Credits, and learn how you could win a year of free driving! Festivities include food, games, swag, and more. We look forward to seeing you there!

Special notes about GIG to-date:

- Over 7,000 trips and more than 60,000 all-electric miles have been driven to date with **100 vehicles**.
- **Another 160 vehicles** will

enter the Sacramento market on Friday.

- Gig just launched a new **MultiZone program that connects Gig's two markets - Sacramento and the San Francisco Bay Area** - allowing Members to pick up and drop off Gig vehicles between the two regions - the nation's first inter-regional, free-floating car share program. To enroll in the MultiZone program, email membersupport@gigcarshare.com

Celebration: Friday, May 3 – State Capitol, L & 11th St, 11:00am - 1:00pm. Gig Parade at Noon. Visit Gig Sacramento's [Facebook page](#) for additional information. Event is free and open to the public.

Fun SacEV Activities

Wind Farm EV Tour

The Delta breezes of Solano County are producing electricity for thousands of SMUD customers. Located in the Montezuma Hills near Rio Vista, SMUD's wind farm currently has a generation capacity of over 600 megawatts. Once per month, SMUD provides a special tour of their wind farms, and we have the June slot for **Wednesday, 6/19 at 10AM**.

REGISTRATION REQUIRED: **SOLD OUT**, but wait list available. Reply for a spot, including the number in your group. CHARGERS: There is one charger in Rio Vista City Hall.

AFTERWARDS: We will meet afterwards at Foster's Bighorn for lunch to continue the conversation with our guide. Foster's Big Horn (<http://fostersbighorn.com>) at 143 Main Street, Rio Vista ([707-374-2511](tel:707-374-2511)). [Click Here for Info and Registration](#)

Cal ISO Tour — **SOLD OUT**, but wait list available

Cal ISO coordinates, controls and monitors the operation of the electrical power systems in most of California. It needs to continually balance electrical supply and demand. It's becoming the center of attention as renewables and EV come on the scene, both with wildly fluctuating characteristics.

NorCal Reno Tesla Owners Group Activities

The NorCal Reno Tesla Owner's Club invites all EV owners, Tesla or not, to join in their social Events. We'll keep SacEV members posted on these interesting upcoming EV activities.

EV Poker Run with Beer and Wine Tasting - May 4, 10:00am - 5:30pm

What's a poker run? It's a fun way to spend the afternoon. We will visit a number of local wineries and breweries. At each stop, you will get a playing card. At the end of the day, whoever has the best poker hand wins prizes. It's a chance to enjoy a Sunday drive, discover some cool new spots, and perhaps win prizes along the way. Tickets are \$10 to \$40. Click the button for more information and to buy tickets. [Click here for info and tickets](#)

Hot August Nights

Save the Date! We'll be participating in the Reno Hot August Nights this year. The event runs from August 09 to August 11. Details and hotel info will be available soon.

2019 EV Road Trip

We have picked the destination for the 2019 EV Road Trip. We'll be heading to Tenaya Lodge near Yosemite. More details on that soon.
