

Out with the Old - In with the New!

Welcome to SacEV's NEW Mailing Service

WELCOME!

This Fall the Sacramento Electric Vehicle Association is thrilled to welcome you to our new professional email service! Once a week you will receive an update with all the information about Sac EV. This will *range* from local events we will participate in, to updates on policy and programs, to what's hot on the market. We will be phasing out the old list-serve and creating more organized and targeted messages for our participants.

PLEASE BEAR WITH US

Please know, as only a volunteer-led organization, there will be a steep learning curve and we will rely on your feedback.

LET'S GET STARTED!
