Fun EV Events Calendar

Wind Farm EV Tour

The Delta breezes of Solano County are producing electricity for thousands of SMUD customers. Located in the Montezuma Hills near Rio Vista, SMUD's wind farm currently has a generation capacity of over 600 megawatts. Once per month, SMUD provides a special tour of their wind farms, and we have the June slot for **Wednesday, 6/19 at 10AM.**

REGISTRATION REQUIRED: Only 25 spaces are available. Reply for a spot, including the number in your group. **CHARGERS:** There is one charger in Rio Vista City Hall.

AFTERWARDS: We will meet afterwards at Fosters Bighorn for lunch to continue the conversation with our guide. Foster's Big Horn (<http://fostersbighorn.com>) at 143 Main Street, Rio Vista ([707-374-2511](tel:707-374-2511)). [Click Here for Info and Registration](#)

Cal ISO Tour

Cal ISO coordinates, controls and monitors the operation of the electrical power systems in most of California. It needs to continually balance electrical supply and demand. It's becoming the center of attention as renewables and EV come on the scene, both with wildly fluctuating characteristics.

NorCal Reno Tesla Owners Group Activities

The NorCal Reno Tesla Owner's Club invites all EV owners, Tesla or not, to join in their social EV events. We'll keep SacEV members posted on these interesting upcoming EV activities.

EV Poker Run with Beer and Wine Tasting - May 4, 10:00am - 5:30pm

What's a poker run? It's a fun way to spend the afternoon. We will visit a number of local wineries and breweries. At each stop, you will get a playing card. At the end of the day, whoever has the best poker hand wins prizes. It's a chance to enjoy a Sunday drive, discover some cool new spots, and perhaps win prizes along the way. Tickets are \$10 to \$40. Click the button for more information and to buy tickets. [Click here for info and tickets](#)

Hot August Nights

Save the Date! We'll be participating in the Reno Hot August Nights this year. The event runs from August 09 to August 11. Details and hotel info will be available soon.

We have picked the destination for the 2019 EV Road Trip. We'll be heading to Tenaya Lodge near Yosemite. More details on that soon.

Earth Month Activities

SacEV will join many Earth Day events sponsored by schools, environmental organizations, businesses, and government organizations. Volunteers needed for EV Pop-up displays at Davis Farmers Market

On the third Saturday of each month, the Davis EV Association (DEVA) displays an EV at the Davis Farmers Market. Each display includes an EV, the EV's owner, and one or two helpers who pass out literature and answer questions from market passersby. Please let us know if you are willing to display your vehicle and/or be a helper.

We are currently need owners and helpers for the following dates:
April 20, June 15, July 20, August 17

The EV display lasts from 9:00 am to 1:00 pm, but the Farmers Market requires that the owners arrive with the display vehicle by 7:45 am.

If you would like to volunteer as an owner or helper, please send a message (including your preferred dates) to deva@cooldavis.org.

At DEVA's previous EV displays, we have been encouraged by the interest and enthusiasm generated by the vehicles. We think that you'll enjoy informing Farmers Market patrons about EVs, and you'll have the satisfaction of advancing EV adoption.
