EVs @ The Davis Pavilion

Join DEVA, Cool Davis, and other partners for [EVs@thePavilion](#) at Davis Farmer's Market on Sunday, **Sept 25, from 11:00 am to 2:00 pm.**

EV Trucks and motorcycles have arrived! Electric pick-up trucks, electric cargo vans, electric motorcycles, electric buses, electric sedans, electric sportscars, electric SUVs, and more electric vehicles will be on-site! [Find out more!](#)

Check out **Valley Clean Energy's** slick EV incentives infographic! Follow the flow for [electric vehicle incentives](#) with extras for income eligible folks.

If you'd like to participate by displaying your EV or E-bike, please send a message to deva AT cool-davis.org with your name, the vehicle model and year, and your contact information. As planning ramps up, DEVA will also be recruiting volunteers to help with preparing for and carrying out the event.

Folsom Powerhouse Electricity Fair

Safety is always our first concern. This event is **canceled** due to unhealthy air quality.

SATURDAY: EVs at the [Folsom Powerhouse Electricity Fair](#).

CANCELLED due to unhealthy air quality predicted due to wildfires burning in Eldorado & Plumas Counties.

[Learn more](#)

We're working with SMUD to provide an EV Showcase at one of their largest events, the Folsom Powerhouse Electricity Fair, on Saturday, September 10. We're expecting a huge crowd (2,000-3,000 visitors) since SacRT is providing free transportation to and from the event on light rail.

Because SacEV will have the entire south parking lot, we can show up to 20 EVs. Lunch will be provided to SacEV volunteers. We need more EVs. If you would like to display your EV at the Showcase and share your electric driving experiences with the public, please contact Peter Machin at rpmackin2000 AT gmail.com or (916) 759-9063.

The Electricity Fair is a fun family event. Along with the EV Showcase, the event will feature engaging, science-related activities for the whole family.

Event flyer [HERE](#). We urge you to share it with families who you know.

Where: Folsom Powerhouse State Historic Park, 9980 Greenback Lane, Folsom, CA

Date: Saturday, September 10, 2022

Time: 9:00 am to 1:00 pm

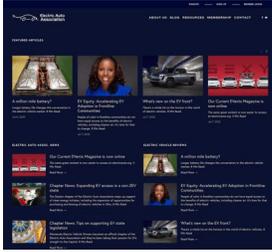

Upcoming Webinars

EV Related Webinars

SacEV brings you a list of upcoming EV related presentations. In case you missed one, we've added pointers to the recordings. You can also find this list on the SacEV.org website [HERE](#).

Join the National Electric Vehicle Association

When you join other SacEV members as national Electric Vehicle Association members, you are part of the national grass-roots community advocating for EVs in the USA. The national EVA is critically important to SacEV as it handles our administrative chores (tax filings, non-profit status, banking service, insurance, legal help, etc.) and provides value, such as webinars and the two nationwide events: National Drive Electric Week and Drive Electric Earth Day.

Your SacEV leadership team relies on these services, so we encourage you to join the national organization for the small sum of \$35 annually. You will also be able to keep current with the latest developments in the rapidly changing world of electric vehicles in our regular Current Events e-blog. This blog is full-color, available 24/7 on-line from your desktop, laptop, smartphone, or however you access the internet.

Your membership provides value to you, our local SacEV chapter, and you become a member of this critical national movement. **Please join NOW.** You may also send a check payable to the Electric Vehicle Association, c/o Guy Hall, 8325 Walden Woods Way, Granite Bay, CA 95746.

More SacEV Events Are Coming Up

Check the [SacEV calendar](#) for the latest EV-related activities.
