To: Gina O'Neal <goneal@airquality.org>, Tim Taylor <TTaylor@airquality.org>

Good Afternoon,

I am Gina O'Neal with Sacramento Clean Cities Coalition and below is an email inviting you to our next event, partnering with SMAQMD and Electrify America. Please contact me if you have questions.

Please join the Sacramento Clean Cities Coalition and Electrify America for a hosted lunch at Seasons 52 at the Arden Fair Mall on **March 9<sup>th</sup>, 11am-1pm** to learn about electric vehicle funding, incentives, and availability. Electrify America's electric vehicle ride and Learn, located at the Arden Fair Mall charging station across from Forever 21 will be held 11am-6pm Fri-Sun March 9th-11th.

As you may know, the State of California has set aggressive goals for expanding electric vehicles to improve air quality, fight climate change, and support a clean-energy economy – and we would like to help low-income and disadvantaged communities to participate in this exciting transformation.

You'll learn about funding opportunities, available vehicle models, charging infrastructure installation, incorporating EVs into a fleet, and the experience of owning and operating an electric vehicle. You'll also be able to test drive electric vehicles such as the Volkswagen e-Golf, Chevrolet Bolt, and pre-owned and affordable ZEV models.

-

**Electric Vehicle Lunch – hosted by Clean Cities Sacramento and Electrify America in partnership with SMAQMD**

**Location:** Seasons 52, Arden Fair Mall, [1689 Arden Way #1065, Sacramento](#)

**Time:** Friday, May 9, 11am to 1pm
