Student from School of Engineering and Sciences

We joined SMUD once before at this high school event and it was a blast. We shared our EVs and our experiences driving electric with the students. They were very interested and curious about EVs.

Let's not let the students down this year. Come out with your EV and share your experiences.

Date: Thursday, 11/17
Time: 10:20 am - 12:00 pm
Where: 7345 Gloria Drive, Sacramento, CA 95831

Follow the directional signs on site to show where to display your EV

Upcoming Webinars

SacEV brings you a list of upcoming EV related presentations. In case you missed one, we've added pointers to the recordings. You can also find this list on the SacEV.org website [HERE](#).

Join the National Electric Vehicle Association

When you join other SacEV members as national Electric Vehicle Association members, you are part of the national grass-roots community advocating for EVs in the USA. The national EVA is critically important to SacEV as it handles our administrative chores (tax filings, non-profit status, banking service, insurance, legal help, etc.) and provides value, such as webinars and the two nationwide events: National Drive Electric Week and Drive Electric Earth Day.

Your SacEV leadership team relies on these services, so we encourage you to join the national organization for the small sum of \$35 annually. You will also be able to keep current with the latest developments in the rapidly changing world of electric vehicles in our regular Current Events e-blog. This blog is full-color, available 24/7 on-line from your desktop, laptop, smartphone, or however you access the internet.

Your membership provides value to you, our local SacEV chapter, and you become a member of this critical national movement. **Please join NOW.** You may also send a check payable to the Electric Vehicle Association, c/o Guy Hall, 8325 Walden Woods Way, Granite Bay, CA 95746.
