Have a New-Model EV? Show it at SacEV Events

We're looking for owners (or dealers) of new-model EVs who would like to show off their rides. We've heard reports of a Lucid Air in the region. How about a Rivian? Or do you know someone with a gigantic electric Hummer. Do you now own a Kia EV6 or a Hyundai IONIQ 5? Show your new EVs and pass on your first-hand experiences with your new vehicles.

If you are a dealer and sold a new model EV, pass along our invitation to show their new ride. Send information on your candidates to news@SacEV.org.

Upcoming Webinars

SacEV brings you a list of upcoming EV related presentations. In case you missed one, we've added pointers to the recordings. You can also find this list on the SacEV.org website [HERE](#).

Join the National Electric Vehicle Association

When you join other SacEV members as national Electric Vehicle Association members, you are part of the national grass-roots community advocating for EVs in the USA. The national EVA is critically important to SacEV as it handles our administrative chores (tax filings, non-profit status, banking service, insurance, legal help, etc.) and provides value, such as webinars and the two nationwide events: National Drive Electric Week and Drive Electric Earth Day.

Your SacEV leadership team relies on these services, so we encourage you to join the national organization for the small sum of \$35 annually. You will also be able to keep current with the latest developments in the rapidly changing world of electric vehicles in our regular Current Events e-blog. This blog is full-color, available 24/7 on-line from your desktop, laptop, smartphone, or however you access the internet.

Your membership provides value to you, our local SacEV chapter, and you become a member of this critical national movement. **Please join NOW.** You may also send a check payable to the Electric Vehicle Association, c/o Guy Hall, 8325 Walden Woods Way, Granite Bay, CA 95746.

More SacEV Events Are Coming Up

Check the [SacEV calendar](#) for the latest EV-related activities.
